## **ROOTED IN TRADITION :**

The installation of a new rabbi is the moment when the congregation and the Rabbi formalize their relationship. Together, we will dedicate ourselves to this partnership and celebrate the beginning of a long and meaningful future.

## **RABBI DYME**

Rabbi Benjamin Dyme received ordination from the Hebrew Union College-Jewish Institute of Religion in NYC. He believes in the importance of social justice, Jewish education, prayer and spirituality, building our Jewish community, and strengthening ties with the broader world. In his spare time, Rabbi Dyme enjoys rooting for his beloved Michigan Wolverines, go blue!, reading, listening to music, and spending time by the ocean.

**OUR THEME FOR THE WEEKEND IS KINDNESS AS
