During the year, at Religious School and Synagogue events, we hope to take lots of pictures, many of which we may wish to post on the Synagogue's website, Facebook page, and Instagram and in newspapers and brochures, to enable everyone to enjoy and remember these special times. These postings will contain pictures only, **without any identifying names**. We recognize, however, that some parents may choose not to have their children's pictures used, and we wish to respect that sense of privacy. Do you give permission to Beth El - The Beaches Synagogue to post pictures of you and your child(ren) on the Synagogue's website, Facebook page, and Instagram and in newspapers and brochures?
